**Re: Notification of radio equipment in accordance with the R&TTE Directive**

Norwegian Post and Telecommunications Authority refers to your notification in accordance with the article 6.4 of the R&TTE Directive 1999/5/EC of the following remote control transmitter operating in the frequency band 433,050 – 434,790 MHz:

- LW433HS98
- LW433HS98V
- LW433HS98P
- LW433HS98VP
- LW433HS98K
- LW433HS98VK

Equipment complying with the standard EN 300 220-1 or an equivalent standard and operating in the frequency band 433,050 – 434,790 MHz with maximum output power of 10 mW (e.r.p.) and duty cycle less than 10 % is exempted from licensing.

*The duty cycle was not stated in your notification. This information is an important part of the notification, and we request you to state the duty cycle on notifications in the future.*

Please note that according to Norwegian regulation, registration of telecommunications equipment vendors and radio equipment vendors is required. Marketing of the equipment shall be in accordance with provisions laid down by regulation 20 June 2000 no. 628 on EEA requirements of radio equipment and telecommunications terminal equipment, which is the implementation of the directive 1999/5/EC on radio equipment and telecommunications terminal equipment in Norway.

Future notifications under article 6.4 of directive 1999/5/EC may be sent by e-mail to our address: [notification@npt.no](mailto:notification@npt.no)

Yours sincerely
