EN ISO 13849	Category B PL b	Machinery directive
EN 954-1	E-stop Cat. 4 – MC-IRX-LITE	

Information regarding the machinery directive

MC-2-3/2-5 is often used to control machinery, and consequently have to follow the provisions of the Machinery Directive.

MC-2-3/2-5 is designed to provide a safe and reliable control of a machine, but to ensure that all requirements in the Machinery Directive are fulfilled the customer must specify his needs from a risk assessment at the machine.
