Declaration of conformity

Manufacturer:
(name/address) Cavotec Micro-control AS
Gevinglia 112
N-7517 Hell
Norway

Type of equipment: Industrial radio remote control
Type designation: 433-434MHz equipment

Manufacturer declares under our sole responsibility that for all Industrial radio remote control systems sold to India, the radio frequency is always between 433.050MHz and 434.000MHz.

The only radio modules allowed for use are:

- M5-1012-5038 MC-CD-TRX
- M9-1012-5038 MC-EX-CD-TRX
- M9-1010-5038 MC-EX-RX-CD-TRX
- M5-1012-7038 MC-CD-PLL
- M9-1012-7038 MC-EX-CD-PLL

All systems sold with destination to India will be checked before shipment and all frequencies below 433.050MHz and above 434.000MHz will be rejected.
